Attempted Theft

(CPD#15-40805-OF)

CONCORD, NH – On September 15, 2015, at approximately 3:30 PM Concord Police responded to Sears, located at 270 Loudon Road, for a report an attempted theft. It was reported that a male subject had just tried to steal 4 drills from the store.

Upon arrival at Sears, officers spoke with store employees who reported that the male in question placed several DeWalt drills inside a shopping cart. The male subject then attempted to exit the store without paying for the drills. When store employees tried to stop this subject, he made what they described as “chicken noises” and fled on foot, leaving the drills behind. The male subject was last seen running towards the rear parking lot of Regal Cinemas (located just north of Sears on Loudon Road).

Employees described the male as being between the ages of 25 and 35 years-old. He

appeared to be a white male, wearing a black long sleeve shirt and jeans or possibly sweatpants. He also appeared to be wearing some sort of flip-flop type shoes.

The estimated value of the 4 drills this subject attempted to steal is approximately \$900.00.
